Newsletter: Autumn 5 Friday 4th October

Dear Parents,

It has been lovely having some better weather this week and the children who have wellies have really enjoyed the school field. Once again, please can I ask that all children have wellies in the coming months so they can use the whole site not just the playgrounds.

Flu Immunisation

Please use the QR code below that will link you to the Somerset School Aged Immunisation Team Facebook page. This will be updated regularly with information regarding vaccinations and clinics for your children. Flu vaccinations will take place in school on 14th November (you will have had a ParentMail notification of this date).

PTFA

Disco letters have gone out today to all children. Please can I ask that they are returned promptly and payments are made to the school office in named envelopes.

Thank you 😊

Tyre painting

We have a merry band of volunteers to paint tyres in Starfish outside area - thank you! Weather permitting, please can we make a start on Wednesday 9th October after school drop off? Anyone is welcome!

Attendance

Regular attendance at school is paramount if your child is going to be the best version of themselves, which is our aim for every single child. Please can I remind you to call the office or email admin.castlecary@acexcellence.co.uk before 9:00 if your child is going to be absent through illness.

Our current attendance is 95.1% but sadly we have already had 86 children late before the register closed and 29 children late after the register is closed (this is counted as an unauthorised absence). Please can I ask that everyone understands that school starts at 9am every day. It is so hard for your children if they arrive after the day has started.

Children's carnival

We are so proud of all the children from Turtle class and The Hive who are taking part in the Children's Carnival tomorrow. We hope the day goes well for them and please do give them a loud cheer if you are attending.
